The Company has increased the private placement from 5,000,000 units originally announced on June 19, 2018 up to 8,333,333 units. The warrants are subject to an accelerated expiry date, which comes into effect when the price of the Company's common shares on the TSX Venture Exchange closes at a price of \$0.20 or more per share during any ten consecutive trading day period, commencing four months plus one day after the date of issuance of the warrants. In such an event, the expiry date will be accelerated to a date that is 30 days after the Company's shares trade for ten consecutive days at or above \$0.20.
