Adamera Minerals Increases and Closes Private Placement

Not for dissemination in the United States or through U.S. newswires

Vancouver, British Columbia, July 12, 2018 – Adamera Minerals Corp. (TSX-V:ADZ) announces the closing of the financing announced June 07, 2018. The Company increased the private placement from 5,000,000 million units for \$300,000, originally announced to 8,333,333 units for \$500,000. Each unit is priced at \$0.06 and will consist of one common share and one half of one non-transferable warrant, with each whole warrant entitling the holder to purchase one common share at a price of \$0.12 for a period of 3 year until July 11, 2021.

The warrants are subject to an accelerated expiry date, which comes into effect when the price of the Company's common shares on the TSX Venture Exchange closes at a price of \$0.20 or more per share during any ten consecutive trading day period commencing November 11, 2018. In such an event, the expiry date will be accelerated to a date that is 30 days after the Company's shares trade for ten consecutive days at or above \$0.20.

The securities issued pursuant to the private placement will be subject to a four month hold period expiring on November 12, 2018. The Company paid finder's fees under the placement consisting of total cash commissions of \$13,565 and 226,080 finders warrants. Each finders warrant is exercisable into one share at \$0.12 for 36 months and are subject to the same accelerated terms and expiry date.

The proceeds of the private placement will be used for exploration and development of the Company's mineral properties, as well as for general working capital.
