ADAMERA MINERALS COMMENCES TRADING ON OTC

Vancouver, British Columbia, May 2, 2017 - Adamera Minerals Corp., (TSX-V: ADZ) (OTC:DDNFF) announce that its shares have commenced trading on the OTC Marketplace in the United States under the symbol “DDNFF”. Adamera’s shares will continue to trade primarily on the TSX-V Exchange under the symbol “ADZ”.

President & CEO Mark Kolebaba states, “Our objective of this OTC Listing is to facilitate trading in the US and ultimately provide American investors better access to the company’s shares. I believe this will broaden our shareholder base and allow the company to expand into new capital markets in the future”

About Adamera

Adamera Minerals Corp. is exploring for high-grade gold deposits within hauling distance of the operating Kettle River Mill in Northeastern Washington State. While the existing third-party mill and superior logistics allow a smaller resource to be potentially economic, Adamera’s primary goal is the discovery of a large stand-alone high grade gold deposit. Adamera is the dominant regional exploration company in the area.

On behalf of the Board of Directors,

Mark Kolebaba
President & CEO
